**McMillan Group International Sells Firearms Division
To Strategic Armory Corps, LLC**

Phoenix, Arizona (November 27, 2013) – McMillan Group International announced today it has sold its firearms division, McMillan Firearms, to Strategic Armory Corps, LLC (SAC).

McMillan Firearms manufactures tactical and hunting rifles. To ensure a smooth transition, Kelly McMillan and Ryan McMillan will remain at McMillan Firearms as consultants for an extended length of time. The sale does not include McMillan Fiberglass Stocks or McMillan Merchant Solutions, which will continue to be operated by McMillan Group International.

According to Kelly McMillan, “I expect SAC to continue the McMillan tradition of producing the highest quality products and delivering the finest customer service in the industry. I am convinced SAC will honor the premium standards of the McMillan brand, and I will continue on with the company as a consultant.”

Kelly McMillan will retain his current role as owner and president of McMillan Fiberglass Stocks. The stock company will continue to manufacture the widest range of quality custom rifle stocks in the industry.

“As president of McMillan Fiberglass Stocks, I remain committed to producing innovative stocks, increasing our production capacity and expediting our delivery time,” concluded Kelly McMillan.

Kelly McMillan will remain president of McMillan Merchant Solutions, a credit card processing company developed for the firearms industry.

About Strategic Armory Corps, LLC

Strategic Armory Corps, LLC was formed in August 2011 to acquire leading companies within the firearms and related accessories industry and develop one of the broadest product offerings. In November 2010, Mark Johnson, CEO of Strategic Armory Corps, acquired Special Technologies Group dba AWC Systems Technology, a manufacturer of firearm suppressors and distributor of ammunition. Simultaneous with the formation of Strategic Armory Corps, Johnson acquired Surgeon Rifles, Inc., a manufacturer of high-end bolt action rifles and proprietary actions. In July of 2013 Strategic Armory Corps acquired Armalite, a leading manufacturer of a complete line of semiautomatic rifles. Each of the companies manufactures and sells leading product lines in their niche within the estimated \$5 billion annual revenues commercial, US military and law enforcement firearms related industry. On November 26, 2013 Strategic Armory Corps acquired McMillan Firearms.
